Chairman's Message

Greetings My Brothers,

The Oktoberfest event on October 18th is only a few weeks away. I gave every Master of the 8 lodges in the district 20 tickets at the last meeting. I would appreciate very much a check for these tickets at the next Master's and Wardens meeting at Eureka North shore Lodge. If a lodge is unable to sell the 20 tickets please let me know as soon as possible so that we can balance our budget. I am sure some lodges will want more than 20 tickets. Please remember to sign up your friends under your lodge so that the lodge gets the points for the Joe Weinberg trophy. There will be prizes for the best dressed "Damen" and "Herren" as well as other prizes. Once again I am grateful to our chef, Br. Peter Drews and the members of Doric lodge who have offered to cook for us at this event. Please keep your numbered tickets till the end of the evening. I have engaged an entertainer Fraulein Samantha who is prepared to play any kind of music you wish. Please remember brothers the money we raise from this event will fund our Grand Master's visit to Broward County on December 12 as well as the Christmas party at the Masonic Home on December 20. So please come and bring your partners and friends and enjoy an evening of fun and merriment with your brothers. Remember children under 15 years are free.

Our DDGM, R.:W.: Mike Binder said that he will keep the cost of the presents for each of the residents within the budgeted amount, but I would like your support in voting for a small increase, if needed, to make it an even more successful year for him.

Two weeks ago I attended the Installation at the Love Assembly of the International Order of the Rainbow for Girls. They desperately need our support. I also visited Pat Gallagher in the hospital who was in good spirits and thanked you all for your cards.

Finally on a more cheerful note, our brother, R.:W.: Nick Canora is out of hospital and we wish him a speedy recovery. We hope to see him at our next meeting.

Fraternally,

Sol. Goldenberg, PM.

Chairman, Masters and Wardens. #33

Greetings, My Brothers,

Wow, how times flies by, when you are having fun, and the time really seems to be "flying by" this year.

I am happy to report that Freemasonry is "alive and well" here in the 33rd Masonic District, with several Master Masons having been raised, many degrees scheduled, and an abundance of friendship and brotherly love being promoted with all of our Lodge and District well attended social events this year. I have been lucky to be able to travel to many Lodges and Districts across the state this year and I am constantly reminded of how lucky we are, as 33rd District Masons, to have the support of the hard-working and fun-loving Brothers and their Ladies in this District, along with the best Masters and Wardens Association in the State

Thanks again, my Brothers. Keep up the good work!

**Next District School of Instruction
Wednesday October 29 at Eureka North Shore Lodge No. 269
7:30PM**

Greetings my Brothers,

I would like to thank the Brothers of West Broward Lodge No.253 for the nice dinner we had before the August School of Instruction and thanks to all the Brothers who came out to learn a thing or two and participate in the instructions.

"What is the proper way to wear a Masonic ring? Should the points of the compass be toward or away from the body?"

This subject is one on which many Mason's ask and with popular opinion is divided. We must therefore reason from analogy. When the emblem of the square and compasses is displayed on a building, pennant, button, watch, charm etc., universal custom requires the points of the compass point downward. When displayed on the Altar they point away from the Master. As the Master from his station views the compass from the Altar of his lodge, the points are from, not towards him. As the wearer of a compass watch or charm views it, the points are down and away from his eyes. In a similar way as he views the emblem on his ring the points should be down or away from his eyes.

The square is the symbol of earthly, the compass of heavenly perfection. As a combined emblem the ends of the square point up as a symbol of man's aspirations toward God; the points of the compass are down to represent heavenly qualities coming down from God to earth. Therefore it would seem that the proper way to wear a ring would be that in which its symbolism is best expressed; namely, that in which, when the hand is held in its usual position the points of the compass are towards the earth and away from the wearer's eyes.

But in hanging a compass or a square and compass, he surly would put the points of the compass down. The same rule holds when worn as a ring or button or a watch charm; namely, they would be worn the same way with the points down. When so worn they all serve the same purposes, and by no means the least of these purposes is to announce to the world the proud wearer is a Mason. -- Iowa Masonic Bulletin.

There have been many new mason's asking the same question time after time. Some learned Mason's with years of experience are also split on how to wear our rings. The article above explains one way. Others have explained it as wearing the points towards them helps them remember their Masonic obligations and the tenets of Freemasonry. Others believe that they are very Masonic and need not to remind themselves, but to show others that they are a Mason.

So my brothers, it's up to you how you wear your ring but for me the article wins it for me. See you all at School of Instruction.

Fraternally,
Harry Kienzle
