APRIL 1978

My Brethren:

We have just completed a long, hard winter. But Spring has finally arrived; we are now able to enjoy the fresh Spring air, the birds singing and the flowers, trees and plants flourishing. Now it is time to work the soil and plant the seeds that will ensure a good harvest. This principle can be carried over to our work in the Lodge. Let us look forward to this time of nature's rebirth.

The seeds which have been sown for the year's activities of Shekinah Lodge are starting to sprout and grow. They will be ready to harvest at various times throughout the Masonic Year. To ensure a good harvest, we need the help of the membership. The officers, committee chairmen and committee members have sown a good crop. Be with us to help harvest and enjoy the fruits of our labor.

Fraternally,

J. DOUGLASS ABDILL
Worshipful Master
