

Shekinah Lodge, No. 58

Free and Accepted Masons

Millville, New Jersey

Instituted - May 21, 1861

Brethren:

The ground has been broken and we are at last on our way. A new Temple for the brothers of Shekinah Lodge. Now let us all pitch in and work together and with God's help and blessings and some good hard work by the brethren, we will all be very happy and proud of the results. The Temple Association has worked hard for over two years, facing great difficulties and obstacles that would have discouraged most of us to give up, but they kept their courage up and finally the results are in sight.

To those of you who haven't taken a very active part in this great Masonic endeavor, please join us in whatever way that you are able. We want every Brother in Shekinah Lodge to have a part in the erection of this great Temple.

May I take this time to thank all of those who took part in and those who braved the heavy rains to be with us at the ground breaking ceremonies. The hugh turnout on such a dismal day was just terrific. Let us keep up the good work and we will be laying the corner stone before you know it.

Fraternally,

WILLIAM H. STILES
