November 1985

## Dear Brethern:

I once read an article in a Masonic Publication which really didn't register in my mind until I happened to come across it again as my year was winding down. It went like this: Masonic labor is purely a labor of love. He who seeks to draw Masonic wages in money will be disappointed. The wages of a Mason are earned and paid in their dealings with one another. Kindness beget kindness, helpfulness begets helpfulness, and these are the wages of a Mason.

I found that everything stated in that short article was true and it was proven to me this year. The support I have received from the Officers and Brethern of this lodge could never be measured in a monetary value. I know now that kindness and helpfulness are undoubtedly the wages of a Mason.

I thank you for the privilege of serving as your Worshipful Master. It has been an experience and an honor I will never forget.

I would like to congratulate Brother Norman A. Schanck who was honored for his many years of service as our Chaplain, and his outstanding work in that capacity.

Congratulations are also in order for Brother James A. Hines on his selection as our White Apron Brother for this Masonic year. He is very involved in our lodge and a valued member.

In closing, I extend my best wishes to all the Brethern and to Brother Marvin White and his incoming officers for the ensuing Masonic year. I know they will have an outstanding year and extend to them my support in all their Masonic endeavors. Thank you.

Fraternally,

WILLIAM C. PARR, JR., Worshipful Master

- // -

Kindness is the oil that takes the friction out of life.
