February 1986

Dear Brethren:

"LET THERE BE LIGHT"

This is the theme for 1986 as we celebrate 200 years of Masonry in New Jersey. In observance of this theme, at our last meeting we had a discussion of the ballot. From the comments received, and the participation of the brethren present, some light was received by all.

For this year, at our regular meetings, after we conduct our business, we will continue to have short informative sessions on Lodge Methods, Procedures and Customs that are a part of our history. If you have a Masonic subject to discuss, please make it known and we will try to include it. It's often been said, and you must agree, that "Regular" Masonic meetings are very boring. With everyone's help we will not have any "regular" meetings.

More than anything else, get involved in the talks, ask questions that you want cleared up. Remember that the only stupid question is the one that was not asked.

Hopefully, we may become "well informed brethren" and as we gain light, we may radiate it in our daily lives. If we keep a bright Masonic light showing, we may someday be asked to give light to a person who asks us what is required to be a Mason.

This month on February 7, we will gain Masonic Light and knowledge from our Grand Master and other Grand Lodge officers that will sojourn with us. Come out and be a part of Shekinah's history Brethren. I know you will enjoy it.

Faternally,
MARVIN WHITE, Worshipful Master
