Dear Brethren:

"The Craft is called from Labor to Refreshment"

It is amazing how fast the time passes Brethren. It seems the year has just started and now we are soon to start our summer break.

In all the years that mankind has been on earth, no matter what other accomplishments have been made, no one has been able to slow down the passage of time. Wouldn't it be nice if we could slow the rush of time, that we could squeeze more into our lives? Wouldn't it be wonderful to be able to expand the pleasant moments of life and compress the unpleasant ones that they would pass more quickly?

Obviously, we are not able to do this brethren, we can only control how we make use of the short space of time allotted us here. Time is the ink that we use to write the trestleboard of our lives. Time, and how we made use of it will be all we have to reflect upon in moments of quiet reflection.

Let us go on refreshment for the summer brethren, but let's not let our Masonic labors go on refreshment.

Keep our Masonic light and brotherhood on labor, that we may refresh ourselves in the true spirit of masonry.

There's an old saying that "the years will bring what the days will never know". Don't let the years bring you reflections of what might have been. Take charge of time brethren, don't let it master you. **You** are the one who decides how the ink of time will write your trestleboard of life, make it a masterpiece that you will be proud to be the author of, that you may be content in old age to read it with happy memories. Have a safe and happy refreshment brethren. Hope to see all of you in lodge when we resume our labor.

Fraternally,
MARVIN WHITE, Worshipful Master
