

My Brother:

I hope that this message will find you and yours in good health and spirits. If you have not been to lodge this fall, you have missed out on seeing the further progress that has been made to your Lodge building. The exterior has been brick veneered and paneled with stones in alternate courses. It is very beautiful and you should make every effort to see it. I am sure you will be very proud. This building represents a large outlay of capital and an equally large amount of sweat and tears. Much effort, both physical and financial is present here, for all to see and our members to cherish, as being part of the erecting of such a monument to our craft.

Our annual visitation by our brothers from Phoenixville, I believe, was a huge success and enjoyed by all. They brought 47 members with them which may not be a record, but surely gives us something to shoot for next April when we visit them. The dinner was delicious and the seafood portion was outstanding. I give the credit to W.B. Bob Estell ably assisted by Bros. Bucky Lynch and Jack Durfee. The ladies of the Eastern Star cooked and served the remainder of the meal and for that I am eternally grateful. I wish to thank the members of both our lodge and other lodges who helped shell that mountain of clams. The N. J. Masonic Kiltees were an impressive and capable group and my brother if you did not see them, I urge you not to miss another opportunity if it is presented to you.

Don't forget Ladies Night - November 20, 1982. Get your tickets now.

I am looking forward to greeting you from the East.

Fraternally,

LEONARD R. POTTER
