

October 1982

My Brother:

Summer is over and Autumn is now upon us, with winter close behind. The beauties of nature at this time are wonderful to behold. The leaves on the trees are going through the changes from green to brown with all of the colors between. The wild animals are having to finish their harvest and stowage of foods for the winter to come. I see the squirrels in my neighborhood hiding every nut or acorn that they can find, but sadly, they do not remember exactly where they have hidden some of these, so a part of their labor is lost. I hope that in our masonic life that the light we have received does not lay in some buried recess of our mind and eventually become lost. The prime way we can prevent this is by participating in all of our lodge functions, and in so doing pass on to others what we have received, that this light of knowledge that we have is never, ever lost. We have in October our Annual Visitation of the members of Phoenixville Lodge, please come out and greet them as brothers, show them that our light really does shine. Also, on October 15th we have the first blood bank following summer recess, this will be held in our lodge. We have all had the summer to build up a healthy supply of blood. If you can give, please do, that we may in this way also help others.

I am looking forward to greeting you from the East.

Fraternally,

LEONARD R. POTTER
