

Brethren:

It is no surprise that our nation today is the world leader in establishing justice, peace and brotherly love around the globe. Our forefathers were freemasons and instilled in our country the principles of our fraternity. Since the beginning the United States has stood firm in its commitment to universal human rights.

From the Revolutionary War to Desert Storm and Somalia, the United States has always taken the road which **“induces us to regard the whole human species, the high and the low, the rich and the poor, as one family, who, created by one Almighty Parent, should aid, support and protect one another.”** Let us be ever mindful that our fraternity was the foundation of our nation and is the hope for a bright future for us all.

Fraternally,  
E. Lee Myers  
Worshipful Master
