

June 1991

Brethren,

I am pleased to announce the results of a very successful golf outing which was held on Saturday, April 27, 1991 at the Centerton Golf Club. Some twenty-eight Golf enthusiasts came to play on a bright, warm and sunny day and after the usual 18 holes, appeared none-the-worse. All expressed their approval and after mentioning a sincere desire to improve their game, asked if it would continue next year. My thanks to R.W. Russ Roberts, Bill Goshen and Wor. Bro. Bob Andrews for a job well done.

Equally as well was the Annual Divine Service held at the First Presbyterian Church on Sunday, May 5, 1991. Approximately 47 members and their families assembled in our basement banquet room for breakfast at 9:30 and continued on to the service at 11:00 A.M. where an additional 15 members and family members joined with us. A special highlight to this years visit was the serving of communion by our members who also serve as elders of the church. Following the service, Rev. Steve Clark thanked the lodge for their participation in the service and the flowers placed in the sanctuary for the morning service.

Brethren, it is hard to realize that the year is almost half over. Our senior and junior wardens have been working hard taking notes and planning their year and I am pleased to inform you that I have full faith and confidence in their abilities. Their interests are genuine and their desires to do a good job in the East are gratifying and I am sure you will have a pleasant experience when you come out to lodge in December and witness their work.

As we prepare to go on our summer refreshment I would like to mention that our building committee will be planning a work party at our temple for a one day effort to resolve some of the maintenance items needing attention. A full range of items from painting to landscaping will be addressed so if you are technically oriented bring your pliers, saw, and screwdriver and come on out. If gardening, flowers and shrubs are your interests come out and bring your tools. If you don't have any tools or background in these areas come out any way, someone can always use a cold drink or cup of coffee which will be available for the "workers".

LOOKING TO GREET YOU IN SEPTEMBER,  
RON
