

Brethren:

November, 1994

November is the month in which the American people celebrate Thanksgiving. There is a lot that all of us have to be thankful for, some of us more than others, but everyone of us has at least something to be thankful for.

Everyone should take the time to sit down and compile a list of what it is they are thankful for. Some of the most obvious ones are the things (people) we take for granted. The Supreme Architect of the Universe has given us a lot to be thankful for. After completing your list, have a seat in your favorite chair and go over your list and just think about each item individually. You will find that you will have a much better outlook on your life after reviewing this.

As Masonic Brothers we do indeed have a lot to be thankful for each and every day.

Fraternally,  
Robert Thornborough, Worshipful Master
