

October 1997

Dear Brethren,

Fall is upon us, the trees will be changing from green to beautiful shades of red, yellow and brown.

As beautiful as the change is in the Fall, and it is a act of Nature. I must ask the question, "Why do people change?" Is that an act of Nature. Why do so many people put themselves ahead of their closest friends. Is self pride that important to us all, that we would hurt one of our dearest friends or sometimes brothers.

Did we not swear to help aid and assist all the poor and distressed.

So Brethren remember, seek and you shall find, knock and it shall be opened unto you!

I've said in the past to remember your cabletow and its length.

Our cabletow is a intertwined rope, untwining these ropes and your cabletow is now 3 times longer.

Fraternally yours,  
**Wm. Anthony Loteck**  
*Worshipful Master*
