

November 1977

My Brethren:

It is a most beautiful time of the year. A TIME FOR THANKSGIVING. This is the month when we traditionally celebrate the feast of Thanksgiving, a time when many families gather round a festive board and share not only its bountiful harvest of the season, but the home and its surroundings with family and friends.

This is a season when we should contemplate on the many things that we have to be thankful for, not the least of which is our great Masonic Fraternity. As we meet periodically, whether in Lodge Room or Cathedral, we enjoy the fellowship of our fraters and share the festive board of Brotherhood with them.

Let us again count our many blessings and try a smile. It costs nothing, but creates much. It enriches those who receive, without impoverishing those who give. It happens in a flash and the memory of it sometimes lasts forever. None are so rich they can get along without it and none are so poor but are richer for its benefits. It creates happiness in the home, fosters good will in a business and is the countersign of friends. It is rest to the weary, daylight to the discouraged, sunshine to the sad and nature's best antidote for trouble. Yet it cannot be bought, begged, borrowed or stolen for it is something that is no earthly good to anybody till it is given away! And if it ever happens that some of our members should be too tired to give you a smile, may we ask you to leave one of yours? For nobody needs a smile so much as those who have none left to give. AND REMEMBER — No matter how handsome you are YOU always look better when you — SMILE.

Brethren, we have so much to be thankful for, and nothing will make you feel better than to share your bounty. Join the growing list of Masons who are helping to "Pay the Mortgage." Send your contribution to our Secretary, Building Committee or any Officer or bring it to Lodge with you. Freemasonry is many things, but most of all: FREEMASONRY IS A WAY OF LIFE.

Faternally,

NORMAN H. PEEK
