Massena Lodge #513 F & AM, P.O. Box 8, Massena, NY 13662

September 20, 6008

Third Degree Planned: 4th Tuesday in October (28th)

We are planning a 3rd Degree for Brother Dewitt Forbes at a Special Communication on October 28, 2008 in Massena. Bro. Forbes had his 2nd Degree at our first communication of the year on September 9th, with the help of many brothers from all the Lodges in the District. W.: Brother Clark Johnstone is coordinating with members of other lodges to help out with the ritual work for this next one, so please contact him if you would like a part in this Degree. We look forward to a full house to help celebrate this raising!

Fratemally,
Bro. John Schneider
Senior Warden

Volunteer for Child ID Events

*September 23rd and 24th, Trinity School, Massena

*October 23rd: Brasher Schools

Contact John Schneider, District Child ID Chairman, to help out! (315) 250-1765 jschneider2@twcnny.rr.com

MASSENA LODGE #513 SUMMONS

To all Brothers of Massena Lodge #513:

You are hereby summoned to appear at our next regular communication on Tuesday, October 14, 2008. Lodge will open promptly at 7:30pm. The trestleboard for the evening is our official visitation by our new DDGM R.:W.: Randy Ball. There is one item of lodge business, which is the balloting on the petition for affiliation from Bro. Kenneth Rosario.

Massena Lodge #513 will be hosting a dinner in honor of this official visitation and will be served at 6:30pm and of course will be excellent. **Our Junior Warden Bro. Jim Boyce needs an accurate head count for the dinner. Please call him @ 769-7073 with your confirmation that you will be attending.** Our Senior Warden Bro. John Schneider could also be contacted if you cannot reach Bro. Jim Boyce. John can be reached @ (315) 250-1765

Our lodge hosts the official visitation only once a year and our new DDGM R.:W.: Randy Ball will be delivering the message from our new Grand Master - M.:W.: Edward Gilbert, and I am sure it will be most informative and inspirational.

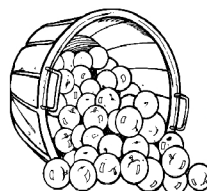

Fratemally,
W.: Clark W. Johnstone
