ANNUAL Citrus Sale

St. Lawrence Masonic Charities Annual Citrus Sale is now in progress! There is plenty of time to sell this delicious fruit that we all crave in the North Country!

Masonic Charities provides gifts to many, many worthwhile causes, all of them in St. Lawrence County, so you can rest assured that your efforts will help those close to home. Happy selling!

Brethren,

Massena Lodge is now participating in the Annual St. Lawrence Masonic Charities Citrus Sale! We have included order forms for each individual Brother, which will be tallied and sent to Canton. **ORDERS MUST BE RECEIVED BY JANUARY 30th.** Please get them to John Schneider at Triple A by then. Thank you for your cooperation!

Our next regular communication will be held March 10. It is important because we have our visit from V. W. Tom Jenison, Assistant Grand Lecturer for our District, plus we have a lot of planning to do before our April meeting when we host the Canadian delegation. We have invited the Deputy Grand Master of Ontario to join us, and we want to give them a grand welcome. We have scheduled 2 meetings in the month of March for this purpose. Please help us out by attending! Looking forward to seeing you there!

Fraternally,
W.: *Clark W. Johnstone*
