Nobles, Ladies and Families,

My Lady & I would like to wish everyone has a Merry Christmas and a Happy New Year. We hope that it was spent with loved ones.

Please remember that Tadmor will have Pork & Kraut on Jan. 1, 2013 from 1PM-3PM and the lounge will be open.

The Stated Meeting is our annual meeting on Jan. 24. We have a lot of things that must be discussed: budget, property, rentals and the approval of the nobility is needed. Please attend.

Dues, if you haven't paid your dues, please send them in now as we must soon pay our Imperial obligation so that our hospitals can continue to take care of our Shriner Kids.

NOBLE, CAN YOU SPARE A DIME?

by Richard Syson, Recorder

Most of you will not remember, but may have read about it. This is a parody to the phrase "Brother Can You Spare A Dime" created in the days of the great depression. Now, if this heading has stirred your curiosity, that is indeed the intent to do so. Please read on:

Our Shrine Temple is facing some of the same problems that face many organizations. We have increasing costs coupled with declining membership. Without our numerous volunteers, who do the actual work of repairing, rebuilding, general up keep, our problems would be much greater. It is impossible to name names, and I know I would certainly miss a couple, but I am proud of these Nobles who give so much to our Shrine. Even with our volunteer labor, we must buy materials for the various projects. Some say, "Just increase the dues" but I don't see that as the solution to those pressing issues. Increased costs are everywhere; garbage, water, electricity, heat, air conditioning, etc. Many ask, "What are they, doing with the money"? Yet, if a worthy cause is mentioned, we are at the ready to open our wallets and support the endeavor. So here are my thoughts on what we as Shriners are constituted for and how we could solve some of our financial problems.

The Shrine Temple is the place from which all blessings flow and we must keep a financially sound Temple. We exist to support Shriners Hospitals for Children. Without the Temples, we would lose the money raised by our Clubs and Units. It has been said that charity begins at home, and personally, I feel that this is a worthy charity and we need to open our wallets wide. We have 1,931 members in the Nile and if each of us gave a dime a day, we would raise about \$70,000 a year. I realize we would not get a 100% participation, but we can always hope. The acronym for Dime A Day is "DAD" Fund, which we, symbolically are for the children in our hospitals. DAD Fund donations are only dispersed with the consent of the Nobility.

Something has to be done to increase our income. If this sounds like a good idea to you, send in your check to the DAD Fund (Dime-a-Day-Fund)-today. Don't wait until tomorrow, do it now. If any of you ladies are reading this, get out the old sugar bowl, put a dime a day in it and give it to your Noble each year. A dime a day is quite painless, but it would contribute to the financial stability of your Temple So in closing, I will say "Noble, Can You Spare A Dime"?

Potentate Greg Sivert, Don Corbett and Terry McMahan, Vice President of H.H.F.C. at Eddy's Bike Shop with the winner of a girl's bicycle.

Chesa Neff is with her mother to accept the prize, raffled off during the annual Haunted House.

Don Corbett suggested the idea as a way to draw folks to the event. "It's all for the children." Corbett said.

My brother, Chris and I would like to thank all the ghouls and goblins inside and out for helping make the Haunted House a remarkable success. Of course we couldn't have done it without the assistance of those making and selling food, the Director Staff, the Temple Guard, Divan, wives, Nobles and all others.

There will be a H.H.F.C. meeting sometime in January to let everyone know how well we did.

Thanks,
Terry McMahan V.P, H.H.F.C.

AD DEADLINE 2/22/13**

There is a circus ad application in this month's Shrinews on page 8.

Please try to sell at least one ad for the circus coloring book/program. One ad per Noble equals TEN times last year's ads.

I want to sincerely thank the members that expressed their confidence in me by electing me to be the Chief Rabban here at Tadmor Shriners. I also want to thank my wife Leigh for being my partner in this effort, I could not do this without her support and she is always there for me and Tadmor. I will try to do the best I can to represent this temple and its members during the events I will attend on behalf of them and in the actions I will take as an officer of this Shrine. I am very proud to be a Shriner and very grateful for the trust the members that voted for me have expressed. For those that differ with me, know this, although we may have differing opinions, as Brothers, I will always have the best interest the furtherance of this Shrine uppermost in mind and actions.

As we begin a new year I believe, as I have previously written to you about, we are entering the most critical period in the history of our temple. The issues of membership, fund raising and participation are going to be seriously addressed in the coming year. I urge as many of you as who can to become involved. The future of Tadmor Shriners is going to depend on it.

Yours in the Faith,

Bill Dixon

The Shrine Club met on December 5th for its annual Christmas party and auction at Prestwick Country Club. This was the final meeting of 2012. The attendance was not as high as it had been in the past but the fifty who attended had an enjoyable evening. We were honored to have the Potentate and his Lady, the Chief Rabban and Lady, Asst. Rabban and Lady, the Oriental Guide and the 2nd Ceremonial Master share our evening with us. Potentate Greg gave a nice talk and the Rep. Dave Shultz did his usual fine job. After the buffet dinner we enjoyed the beautiful music of the Hoover High School "Hi-Lo's", an a cappella choir under the direction of Patricia Grewell. The auction was handled by our own Elmer (gourmet fish fryer) Simpson. Don't know the exact amount raised but would guess it was in excess of \$500.00.

North Stark/Barberton SC wished to all a very Blessed Christmas and a very Happy New Year.

TRI-COUNTY TRANSPORTATION UNIT
JANUARY 2013
Richard McMasters, Scribe

Greetings and Happy New Year from the Nobles and Ladies of Tri-County. May Tadmor Shrine Center continue to assist those children that are in need of our Shriners Hospital for Children.

During December we had two scheduled trips to Erie Hospital, one to Cincinnati Burns Hospital and one to Children's Hospital in Philadelphia, PA. Thank you to everyone who assisted in transporting those children and their parents.

Tri-County statistics for the year 2012 are 35 trips to Erie Hospital, 10 trips to other hospitals, 150 Nobles and Ladies attended our monthly meetings and 141 Noble and Ladies worked our seven fish fries during the year which we figure 2,060 dinners were served. Tri-County works very hard to raise funds to support our Unit. We have 18 active drivers which during the year Gene Scott passed away, Robert Fronk's wife Gayle also passed away, Adam Campbell had a stroke and Lloyd Lott retired.

Tadmor's Shrine Circus is just around the corner, March 22, 23 and 24, 2013 to be exact. Now is the time to sell those Business Ads for the Circus Programs. Remember a percentage of the ads are returned to the various Clubs and Units who sold them.

Our next sponsored fish fry will be Friday, February 15, 2013. Mark your calendar if you want to help. Noble Claude, 330-688-9313, awaits your call. Also Tri-County will sponsor six fish fires this year.

The installation of Tadmor's officers for 2013 will be Saturday, January 12, 2013. Refreshments at 6:00 PM with the installation at 7:00 PM. Come and enjoy the evening with us.

Tri-County officers for 2013 are; President, Claude Brunot, Vice President, Richard Hartman, Treasurer, Paul Hadley, Secretary, Ron Pitcher and Scribe, Richard McMasters.

Our next business meeting will be January 29, 2013, Tuesday morning 9:00 am, Waterloo Restaurant, 423 E. Waterloo Road, Akron. Assignments, Private Room, Excellent Service and Low Prices. Everyone is welcome, Please join us.

Infant Home in time for the Holidays

When four-day old Korbin began running a high fever, his parents took him to the local children's hospital emergency room. Little they know that shortly after Korbin's arrival at the hospital, their newborn infant would be diagnosed with a potentially debilitating disease: Necrotizing fasciitis.

Necrotizing fasciitis is an infection that destroys skin and soft tissue, and can be caused by all different kinds of bacteria, according to Dr. Richard Kagan, chief of staff at Shriners Hospitals for Children® – Cincinnati. It has also been called "flesh-eating bacteria." The severe infection is rare, especially in children and infants. "In my 24-plus years of practice, I've seen only four to five cases," Kagan said.

Symptoms of necrotizing fasciitis usually begin with a fever. Families usually won't recognize why their child is running a fever. A trip to an urgent care center or hospital emergency room is usually where necrotizing fasciitis is diagnosed after physician evaluation. Hospital admission at a children's hospital is required to treat the sepsis or infection. Surgical debridement is usually required to cut away the skin that has died as a result of the infection.

When the infection is gone and the patient is stable from a medical point of view, it is time to call Shriners Hospitals for Children – Cincinnati.

Kagan said, "When a child with necrotizing fasciitis is stable and infection free, Shriners is here to take care of the wound coverage and management following surgery." A referral to Shriners is necessary in order for the medical staff to determine if the child is stable enough for transfer and the status of the wound.

Korbin spent six weeks in the hospital being treated with antibiotics and surgery to save his life. When discharge was nearing, parents Jade and James Kennedy began looking for help to get Korbin's surgical wound treated.

"A woman from church had a distant family member who was treated at Shriners in Cincinnati," James said. "We looked them up on the Internet and called, and the transfer process started."

We knew when we walked in the door that we were already happy we brought our baby here," said Jade, Korbin's mother. "The staff treated Korbin like a baby and not a diseased animal. I felt like they rolled out the red carpet for us."

Dr. Petra Warner, assistant chief of staff, used a skin graft to cover Korbin's wound and he was recently discharged from the hospital without complications.

"Shriners Hospital made our family feel amazing. They helped our baby live a normal baby life with cuddles, snuggles and love."
