OASIS OF AKRON

MARCH 2013

DESERT OF OHIO

POTE'S CORNER

Nobles and Ladies,

What a nice start to the month of February. My Lady Penny and I would like to thank Noble David Shultz and his Lady Susan, Noble David Gomes and his Lady Sherrie for all their hard work with the Valentine's Day dinner and dance. Thanks to all who attended.

Nobles, if you haven't paid your dues, please get that taken care of. If you are having financial difficulties, we can work with you. Please give us a call at the Tadmor office 330-644-8494.

This month is a very busy month for all of us Shriners. St. Patty's Day and our great Circus the 22nd, 23rd and 24th. What a fun time that is, but lots of work. We would really like to see lots of Shriners come and work, even if it is only for one show. We would love to see you all.

Lent has started and that means we need lots of help at the fish fries. Come out and give us a hand and support the hosting units.

Please pray for our ill and shut ins and our great service members.

Yours in the Faith,

Ill. Sir Garland "Gunny" McCary

A NOTE FROM YOUR CHAPLAIN

Dear Noble and Friends,

As we go through this cold snowy winter, the time seems to be going so fast even though winter always drags on. Here is a prayer that I recite to let God know how grateful I am and how we are blessed.

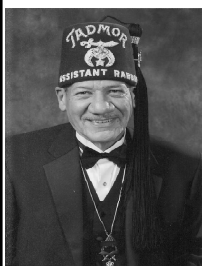

Lord God, may we be grateful for our lot, and compassionate toward all those who are suffering every kind of distress at this difficult time. May we hold back nothing, and hasten to be the ministers of prayer and mercy, like the disciples of Him who went about doing good in times of need.

We as Shriners sometimes feel we are overworked, during these times we must remember the children we help in so many ways.

Please keep our doctors, nurses and hospital staff in our prayers. Pray that our Circus will be a success and bring smiles to all those that attend.

God Bless

Paul E. Newburn Jr. Chaplain PP

NEWS FROM THE ASSISTANT RABBAN Tom Szollosi

Greetings Nobles and Ladies,

It is March, hopefully spring will soon be here. I hope everyone "weathered" the winter well. We have St. Patrick's Day and the Circus to look forward to and have some fun.

As usual, there will be plenty to do at Tadmor this year. Bring your family and friends, and enjoy yourselves at our scheduled events for 2013.

NOBLE, CAN YOU SPARE A DIME?

by Richard Syson, Recorder

Most of you will not remember, but may have read about it. This is a parody to the phrase "Brother Can You Spare A Dime" created in the days of the great depression. Now, if this heading has stirred your curiosity, that is indeed the intent to do so. Please read on:

Our Shrine Temple is facing some of the same problems that face many organizations. We have increasing costs coupled with declining membership. Without our numerous volunteers, who do the actual work of repairing, rebuilding, general up keep, our problems would be much greater. It is impossible to name names, and I know I would certainly miss a couple, but I am proud of these Nobles who give so much to our Shrine. Even with our volunteer labor, we must buy materials for the various projects. Some say, "Just increase the dues" but I don't see that as the solution to those pressing issues. Increased costs are everywhere; garbage, water, electricity, heat, air conditioning, etc. Many ask, "What are they, doing with the money"? Yet, if a worthy cause is mentioned, we are at the ready to open our wallets and support the endeavor. So here are my thoughts on what we as Shriners are constituted for and how we could solve some of our financial problems.

The Shrine Temple is the place from which all blessings flow and we must keep a financially sound Temple. We exist to support Shriners Hospitals for Children. Without the Temples, we would lose the money raised by our Clubs and Units. It has been said that charity begins at home, and personally, I feel that this is a worthy charity and we need to open our wallets wide. We have 1,931 members in the Nile and if each of us gave a dime a day, we would raise about \$70,000 a year. I realize we would not get a 100% participation, but we can always hope. The acronym for Dime A Day is "DAD" Fund, which we, symbolically are for the children in our hospitals. DAD Fund donations are only dispersed with the consent of the Nobility.

Something has to be done to increase our income. If this sounds like a good idea to you, send in your check to the DAD Fund (Dime-a-Day-Fund)-today. Don't wait until tomorrow, do it now. If any of you ladies are reading this, get out the old sugar bowl, put a dime a day in it and give it to your Noble each year. A dime a day is quite painless, but it would contribute to the financial stability of your Temple So in closing, I will say "Noble, Can You Spare A Dime"?

ERIE HOSPITAL FOR CHILDREN-REPORT

· MARCH 2013

Funds donated by Nobles of Tadmor Shrine when they paid their 2013 dues was given to the "TIMMY'S DAY OUT" fund. This presentation was made during the Board of Directors meeting on JANUARY 16, 2013.

Timmy's Day Out is a program to help children with spina bifida grow up to be as healthy, able and independent as they can be. The program was developed by the Shriners Hospital for Children-Erie myelodysplasia specialty care team with initial funding from Candy Bollen and the Dendarah Court of the Ladies Oriental Shrine of North America.

The Shriners Hospitals for Children-Erie team felt that its out-patients with spina bifida and their families need guidance to begin developing the skills necessary for a healthy, active life-style. Life for kids with spina bifida can have many extra challenges and the Timmy's Day Out activities are planned to help them find ways to overcome obstacles. Getting Around, Eating Healthy, Minding Their Allergies, Using Bathrooms and Planning for the Future.

Places we have visited:

Carnegie Science Center, Asbury Woods Nature Center, Fishing, Pittsburgh and Erie Zoo, Splash Lagoon, Tri-City Speedway, Airplane Rides, Seawolves Baseball Games, Greater Cleveland Aquarium and many other places.

Hospital for Children-Erie expresses their appreciation to Tadmor Shrine Center for their generous donations.

Richard McMasters, Scribe

Here I am again. Greetings from the Nobles and Ladies of Tri-County. During the month of February we had only two scheduled trips to Erie Hospital. Much appreciation to our dedicated drivers.

Our sponsored February 15th fish fry went very well. We served over 250 dinners that evening. Tri-County's next fish fry will be March 29th. If you would like to assist we would be pleased to have your help. Who knows, you might enjoy yourself.

Tadmor's Shrine Circus is March 22, 23 and 24. Much help is needed to make our Circus successful. The Circus is Tadmor's largest fun raiser. Please set aside a few days to assist. There is always something to do. Thank you.

Tri-County appreciated the various donations to our Unit during the year 2013 and to Tadmor in general. Remember Tri-County has a 501-C-3 Tax Exempt Status as well as the other transportation units.

Camp Ytiliba...a Reflection of Strength

**Shriners Hospitals
for Children®**

"When you look at us you may see something backwards and different, but when we look in the mirror we see our strength and ABILITY!"

Established in 1990, the camp was designed to offer children who have survived a burn injury the opportunity to experience traditional summer camp.

During their week-long adventure, campers enjoy fishing, horse-back riding, canoeing, swimming, and nature programs. They accept new challenges, gain confidence, and rebuild self-esteem. Campers make new friends and renew old friendships. Most importantly, they are able to forget about their differences and get back to the business of being a kid.

Camp Ytiliba staff consists of hospital social workers, nurses, child life therapists and teachers. Campers enjoy spending time with their hospital caregivers. Parents have peace of mind knowing their kids are among friends who also happen to be world-class burn care specialists.

Thanks to the generosity of our donors, we are able to provide this experience with no financial obligation to patients or families.

To obtain additional information or to find out how you can help, call (513) 872-6000.

"Camp helped Justin to understand that *everyone* has scars. Being in the company of other kids who had a similar experience allowed him to see he is a normal boy who just happens to have a burn injury."

"I've made memories that will last me a lifetime."

"Camp is a place I can go to and not worry about what people will think of me."

"It is a great opportunity for kids from all over the country to come together, meet new friends, be normal kids, and not have to worry about being different than everybody else."

Recorder's Message:

Nobles,

At The end of 2012 we had 1054 nobles in good standing, a net loss of 108 nobles from 2011. As of the last week of February 2013, we are sitting at 948 Nobles who are in good standing and another 106 nobles who are passively waiting, to "cut the check" Hopefully when we have those 106 nobles back in good standing we will hold our ground at 1054 for awhile which will also keep our Imperial Representative level at 4.

Nobles, if you know of a noble who you believe might be on the unpaid list, please check with Karen or I to check their dues status and if it is with in the length of your "cable tow" please consider helping anyway you can to keep these brother nobles standing tall as Shriners.

At the February Stated Meeting, we elected a new treasurer, Noble Mark Giannaris who has been serving as Tadmor's interim treasurer since January. I look forward to working with him. Congratulations Noble Mark!

Lastly, I want to acknowledge and personally thank our former treasurer, Noble Stuart Spangler for all of his help and dedication to Tadmor and our nobility over the past several years. Good luck Noble Stu!

See you at the circus!

Faternally,

Gary DeMoss P.P.
